MEMORANDUM FOR: Chief, Near East and South Asia Division, DDO
FROM: Director of Central Intelligence
SUBJECT: David Dodge

I saw Najeeb Halaby last night. As you know, he is the Chairman of the American University in Beirut, and is concerned about David Dodge, the President of the University who disappeared during the fighting, apparently, as thought in one report, kidnapped by Iranians. Halaby and President Reagan have both expressed interest in whatever we know about Dodge's fate and what is being done that can be done to rescue him.
